

TBA CREDIT UNION

Large enough to serve you, small enough to care.

PRESIDENT'S MESSAGE

It gives me great pleasure to announce the addition of Pamela Voss as our Chief Financial Officer and the promotion of Margaret (Peg) Klein as our Vice President of Lending. Proven leaders, Pam and Peg have the skills, ambition, and motivation to keep TBA Credit Union moving successfully ahead.

With our new leadership it's time to re-emphasize that TBA Credit Union was started by a group of local educators and we remain local. To communicate our continued dedication and commitment to our five-county area, we will be introducing a slightly enhanced, fresh new logo. Locally connected and personally invested for over 50 years, I know you will welcome these changes that will benefit you, our members.

Read what members are saying about TBA Credit Union on our website. Encourage friends and family to join, and when they do we'll give you \$25! Visit www.tbacu.com or one of our branches for more information on our Refer a Friend program.

Please take a minute and tell everyone you know about the exciting changes happening at your credit union.

Keep Smiling,

Karen Browne, CEO
