

Refer-a-Friend Program

I'm so happy with the service I've received at TBA Credit Union that I want my friends to benefit, too! I don't want anyone to miss out on the great rates and variety of products available not to mention the \$50 they will receive just for opening their checking account with TBA!

I understand that for me to receive the \$50 benefit, my friend needs to present this document to a Member Service Representative when they open their account. They need to be a new member, open their account with the required minimum balance, and be enrolled in direct deposit. Accounts need to be opened by 12/31/12. The \$50 credit will be added to my TBA savings account. Not valid with any other TBA offer.
