TBA Credit Union Saves Members over \$864,000 in 2022

TRAVERSE CITY, Mich. – In 2022, TBA Credit Union saved members \$800K. Each year TBACU strives to save members the most money possible. The team at TBA Credit Union worked hard, saving their members money by refinancing high-rate loans from other financial institutions and offering free personal and business checking accounts.

“Our team is passionate about saving our members money whenever possible,” Karen Browne, President, and CEO, said. “We exist because of our members and for our members. It’s the founding philosophy of people helping people that we continue today.”

“In today’s rising loan rate environment, I am so glad to see our team members help save members of our community so much money on the loans they have,” Chris Milliron, Chief Lending Officer, said. “As a team, we work very hard to find different ways to save our members money, and this savings amount is just a great reminder of one of those ways. I applaud our team for their hard work and our members for trusting in us so we can all celebrate our collaborative success!”

A \$340 million (assets) credit union, TBA Credit Union provides financial services to over 18,000 members across the State of Michigan. In addition to two branches and a call center located in Traverse City, TBA Credit Union members have access to over 30,000 surcharge-free ATMs nationwide through the CO-OP Network and over 250 Xtend Shared Branching locations.
