FOR IMMEDIATE RELEASE

TBA Credit Union Strengthens Community Ties with Annual TCAPS Donation

TRAVERSE CITY, Mich. – In a continued effort to support the education of local students, TBA Credit Union (TBACU) has donated its annual contribution of \$15,000 to Traverse City Area Public Schools (TCAPS). A portion of the contribution will assist in subsidizing participation costs associated with extracurricular activities for lower-income families, ensuring equitable access for all students. Funds will also cover dry-erase markers for every elementary student and teacher across the district. The remaining funds will sponsor static and digital signage at Thirlby Field.

"It's essential that we bridge the gap for our young learners, providing them with the resources they need to thrive. Our partnership with TCAPS is just one of the ways we're investing in a brighter, more inclusive future for our community," said Karen Browne, TBA Credit Union's CEO and President.

This partnership between TBA Credit Union and TCAPS exemplifies a shared dedication to enriching educational experiences and nurturing the potential of our community's youth. TBA Credit Union is committed to making a meaningful difference in students' lives, empowering families, and supporting the educators of Traverse City to shape the leaders of tomorrow.

A \$350 million (assets) credit union, TBA Credit Union provides financial services to over 19,000 members across the State of Michigan. In addition to two branches and a call center located in Traverse City, TBA Credit Union members have access to over 30,000 surcharge-free ATMs nationwide through the CO-OP Network and over 300 Xtend Shared Branching locations.

For more information about TBA Credit Union, visit tbacu.com or call 231.946.7090.
