FOR IMMEDIATE RELEASE

TBA Credit Union Welcomes a New Department Leader

Traverse City, MI – TBA Credit Union (TBACU) is excited to welcome Ming Mays as their new Information Technology Director.

Ming Mays started as TBACU’s IT Director in November 2019 and previously worked as the Director of Information Technology for Grand Traverse County, where she led her team in successfully upgrading and redesigning the entire network infrastructure. Mays and her team also implemented an Enterprise Resource Planning software for the City of Traverse City and merged and integrated software for multiple departments.

“I am honored to have the opportunity to be TBACU’s IT Director,” says Mays. “As an IT professional for K-12 education, local government, and non-profits, I worked closely with staff, clients, and vendors to ensure project milestones and deliverables were accomplished. It is a rewarding experience to see numerous projects through from planning to successful completion and to see positive results in the community. I plan on continuing this drive and enthusiasm at TBACU to produce the same level of quality and success. Technology is about helping people and creating efficiencies. I love making a difference and believe ‘Teamwork makes the dream work’.”

A \$220 million (assets) credit union, TBA Credit Union provides financial services to over 18,000 members across the State of Michigan. In addition to two branches and a call center located in Traverse City, TBA Credit Union members have access to over 30,000 surcharge-free ATMs nationwide through the CO-OP Network.

For more information about TBA Credit Union, visit tbacu.com or call 231.946.7090.
