TBA Credit Union Awards Classroom Improvement Grants

Traverse City, MI – TBA Credit Union recently awarded two classroom grants totaling \$2,000.00. Janine Winkler of Immaculate Conception Elementary School and Alicia Richards of Traverse City West Middle School both received \$1,000.00 to go toward their classroom.

Winkler, Science and Innovation Facilitator at Immaculate Conception School, will be using the funds to purchase robotics kits that will be used by students from Kindergarten through Fifth Grade. The kits will help with programming instruction, data collection and analysis, engineering design, and scientific collaboration.

Richards, Instructional Aide at TC West Middle School, is utilizing grant funds to set up a new Sick Room at the school. The grant will help in purchasing a rolling and lockable cabinet to house essential supplies, a refrigerator and freezer to hold cold water and ice packs, and at least three privacy partitions to keep students comfortable.
