

TBA Credit Union Invites You to

# MONEY SMART WEEK®

APRIL 15 - 20, 2024

Money Smart Week readings are part of a nationwide initiative promoting financial literacy. TBA Credit Union is proud to partner with local libraries by participating in their story times and reading this year's book, *Save It!* (a charming introduction to simple money concepts in which a little bunny learns about the power and satisfaction that come with saving money).

These sessions are designed to help individuals and families make smarter financial decisions. We hope you and your little ones can join us at your local library for activities promoting smart money habits and hear us read this year's Money Smart Week book, *Save It!*
