TBACU Awards Classroom Grant to Blair Elementary

Traverse City, MI – TBA Credit Union awarded Tiffany Keske of Blair Elementary a \$500 classroom grant on Monday, November 20th.

Ms. Keske plans on using the funds to purchase additional tablets and headphones for her first grade students. The class currently has only one iPad to share; the additional tablets will allow students to utilize an app to present schoolwork to parents and peers, as well as aide in testing and reading.

“My students are eager to learn and do their best. They love being in school because they feel safe and loved. This grant will continue to give to the learning community at Blair as future Bobcats move into my classroom and are able to access this technology,” said Keske in regards to the classroom enhancements.

TBA Credit Union allocates \$6,000 every calendar year for classroom grants, and Educators can visit tbacu.com for more details and how to apply.
