

SKIP THE TRIP

With CheckLogic Biz and your new Canon imageFORMULA CR-L1 Scanner, you can now enjoy the convenience of depositing items to multiple accounts without ever leaving the comfort of your home or office.

Fix items that need to be addressed before they can be deposited. View the status of your deposited items as they are processed in real time.

Skip the trip to the credit union, and take back your free time!

Scanning made simple

CheckLogic Biz's intuitive interface makes it easy to set up your Canon scanner, scan and deposit items, and view your previously deposited items.

Deposit in batches

Use your Canon scanner to scan multiple items at one time. Choose your desired account and deposit multiple items in a single batch.

Don't get left in the dark

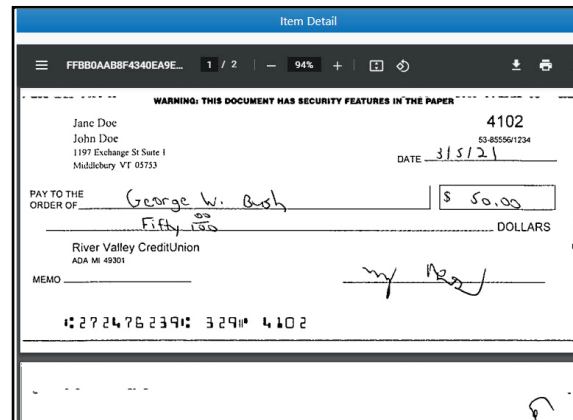

View real-time updates on the status of your deposited items, including whether they have been posted or rejected.

Live your life

Say goodbye to those tedious end-of-day trips to your credit union. Use your free time the way that *you* want to use it.

SCAN AND DEPOSIT ITEMS

Scan and submit items to multiple accounts individually or in a batch.

CHECKLOGIC BIZ

CHECKLOGIC BIZ QUICK START GUIDE

Learn just how easy it is to begin depositing batches of checks from your home or office using CheckLogic Biz and your new Canon imageFORMULA CR-L1 Scanner!

Scanning Made Simple

GET STARTED

1. Unbox the Canon CR-L1 Scanner. Plug the power cord into the scanner and a wall outlet. Plug the USB cord into the scanner and your computer.

2. On your computer, open an internet browser and navigate to the CheckLogic Biz URL provided by your credit union.

3. Log in to the CheckLogic Biz portal using the account number and PIN number provided by your credit union.

4. Click the **Scan Items** tab. Click the download link to install the CheckLogic Biz tray application and Canon drivers.

5. You are now ready to begin scanning and depositing items using CheckLogic Biz and your new Canon CR-L1 Scanner!

LEARN MORE

View the brief **Getting Started with CheckLogic Biz** tutorial video to learn more information on:

- Setting up your Canon CR-L1 scanner
- Installing the CheckLogic Biz tray application and Canon scanner drivers
- Scanning items for deposit
- Viewing your deposits
