FOR IMMEDIATE RELEASE

TBACU Awards Classroom Improvement Grant to Cherry Knoll Elementary

Traverse City, MI – On August 31st, TBA Credit Union awarded a Classroom Improvement Grant to Cherry Knoll Elementary.

The grant will be used to purchase STEM (Science Technology Engineering and Mathematic) kits. These kits provide students with an opportunity to be innovators, researchers, scientists, and leaders. STEM kits consist of problems that require students to use critical thinking skills and collaborate to achieve a solution.

“It is wonderful to see the commitment our teachers have to their students in our community,” said Heather Thoma, TBACU Accounting Representative. “This was very apparent when I had the opportunity to meet Marie Willis and all the teachers at Cherry Knoll. I am also very grateful to TBA Credit Union for creating this opportunity to give back to our community.”

Educators within the 5 County Area (Antrim, Benzie, Grand Traverse, Kalkaska, and Leelanau) are eligible to apply for TBACU’s Classroom Improvement Grants. Those interested in applying should visit tbacu.com where they can see past Grant Winners and review the application process.

A \$190 million (assets) credit union, TBACU provides financial services to over 16,000 members in Antrim, Benzie, Grand Traverse, Kalkaska, and Leelanau counties. In addition to two branches located in Traverse City, there are over 30,000 surcharge-free ATMS made accessible across the nation through the COOP Network.

For more information about TBA Credit Union, visit tbacu.com or call 231.946.7090.
