FOR IMMEDIATE RELEASE

Credit Union's Participate in Paul Bunyan Chapter Challenge

Traverse City, MI – 4Front Credit Union, Filer Credit Union, Forest Area Federal Credit Union, TBA Credit Union and Safe Harbor Credit Union, participated in the first annual Paul Bunyan Chapter Challenge to see who could volunteer the most hours, per team and board member, in 2016. The winner of the challenge will be announced on April 20, 2017 at the chapter annual meeting taking place at Crystal Mountain Resort & Spa.

“Christie Dompierre of TBA Credit Union presented the idea of the chapter challenge and these credit unions stepped up to participate,” said Bob Raden, President of the Paul Bunyan Chapter and CEO of Forest Area Federal Credit Union. “This is just what Credit Unions do, we can do more together rather than separately. Our staff participate in many, local volunteer projects throughout the year. I am proud of our associates who realize that our communities benefit by our good works.”

The Paul Bunyan Chapter credit unions serve the Michigan counties of Antrim, Benzie, Grand Traverse, Manistee, Kalkaska, Leelanau, Emmet, Charlevoix, Missaukee, Osceola, Lake, Mason and Wexford. Proudly serving the people of Northwestern Michigan, the Paul Bunyan Chapter is a community of cooperative minded credit unions.

“We all do so much for the communities we serve in regards to donations, grants and volunteerism,” said Christie Dompierre, TBACU Marketing Director. “I thought a friendly competition would be a great way to highlight the credit union mission of people helping people. The five participating credit unions completed over 2,800 hours of volunteer service between July 1, 2016 and December 31, 2016.”
